alterNATURE

DESIGN IS LUSH

earth tone tile

ingrain tile

entwine tile

The Shaw Contract Group design team seeks verdant inspiration. An avante garde runway show, cutting edge textile techniques, the weathered and worn bark of a tree. alterNATURE is a broadloom and tile collection of rich textural variations lifted from the natural world, exaggerated with a synthetic edge. The authenticity of nature in appearance and hand, engineering organic occurrence into the man made.

DESIGN IS LUSH.
