We've branched out. Introducing commercial hardwood from Shaw Contract Group.

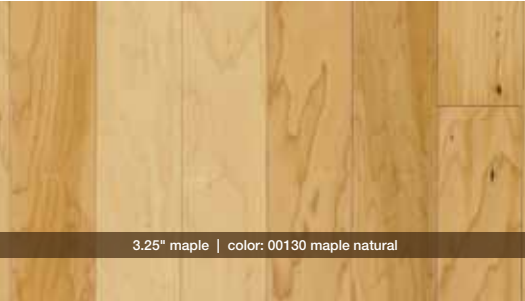

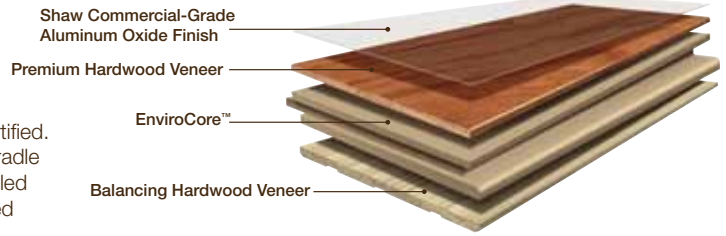

No two trees are exactly alike. Same goes for our new engineered hardwood flooring. It's 100% natural, 100% original. Hand-selected and expertly crafted, each plank is truly one-of-a-kind.

Backed by a 10-year finish warranty and a lifetime structural warranty—the best in the industry. As environmentally sound as it is strong, all flooring is GREENGUARD Certified and the only hardwood product available that's Cradle to Cradle Silver Certified.

EnviroCore™ products

EnviroCore is the first and only engineered hardwood to be cradle to cradle certified. Made with 50 percent recycled content, EnviroCore engineered hardwood is cradle to cradle certified for unrivaled eco-integrity. And its densely compressed recycled wood fibers are fusion bonded in a non-directional construction for unsurpassed structural integrity. Core value where it counts most.

Hardwood core products

It takes five plies of true hardwood veneer to create a cradle to cradle certified flooring surface this strong, this beautiful, this eco-efficient. Enhanced textures add a unique look across every plank, while a super-strong, aluminum oxide finish to ensure durability that lasts and lasts. It's strength in layers.
