

PosiTile® - The Perfect Surface for Access Floor

Form and Function

- Seamless integration of finishes
- Multitude of styles and colors are available with PosiTile®
- Increase office efficiency
- Optional Advanced Static Control eliminates threat of electrostatic discharge
- Lifetime Commercial Warranty

Relocation Made Easy

- One-to-one® fit means panel-by-panel flexibility
- PosiTile® makes workstation relocation fast and inexpensive

Installation Made Easy

- Four ultrasonically welded buttons provide a one-to-one® alignment with four matching indentions in the Tate ConCore® floor panel
- No adhesive required
- No sticky mess to clean

Cost Savings

- PosiTile® cuts churn labor by 1/6 and makes the process simple
- No extra attic stock is needed for churn waste
- Save from 10% to 60% on carpet costs

Environmental

- PosiTile® EcoWorx is a totally sustainable, Cradle to Cradle product
- Cradle to Cradle means all the materials in a product get used again, again and again.
